Sir:

A personal interview was conducted on July 7, 2005 between Applicants' representative and Examiner B. Rojas and Primary Examiner Lincoln Donovan at the U.S. Patent and Trademark Office.

During the interview, the subject matter of this application and the amendments to the claims as provided in the June 14, 2005 Amendment were reviewed. The Examiners indicated that the references of record did not render the amended claims obvious, but an additional search would be conducted in light of the claim amendments.
